Dear Mr. Heltzer:

I represent the Charging Party in the above referenced matter. The Board approved Respondent's request for permission to file a combined brief in support of cross-exceptions and in opposition to Charging Party's exceptions. On behalf of Charging Party, for essentially the same reasons Respondent requested, I am requesting permission to file a combined brief in Reply to Respondent's opposition to the exceptions and in opposition to Respondent's crossexceptions.

In addition, I am requesting that the time for Charging Party to file it's combined brief be extended from May 13, 2011 to May 27, 2011. Neither Respondent nor Counsel for the General Counsel object to this request. I am making the request because of a busy negotiation and litigation schedule will not permit me sufficient time to complete the brief. Respondent's brief was approximately 58 pages. In addition, the case involved many days of hearings and a voluminous record.

Thank you for your attention to this matter.
